

Cranberry Stained Glass Studio & Supply Inc.

FUSE-A-PALOOZA'S PLAY DAY

- You will have had to attend at least one of the Demonstrations throughout the week.
- All basic hand tools (glass cutters, rulers, running pliers, grosers, etc.), fuser's glues and standard grinders (standard bit and ultra-fine) are available for use. We would like to suggest that, if possible, you bring your own "tool kit" of hand tools for your own comfort.
- There will be supervision and a little help available but no techniques are taught during Fuse-A-Palooza's Play Day.
- You are welcome to use any of the Rental Molds in house for this event.
- Bring or purchase your glass and glass accessory items (frit, stringers, dichroic, paint, etc) they are not included. (We can run a tab for the day for you.)
- Drill Press and any other drilling equipment available but you provide the bits for more than one hole.
- Kilns will be loaded and programmed by one of the Cranberry Crew.
- Glass tile saw, and Gemini Apollo and Lap Wheel are not available for this event.
- Glass Line and Spectrum Glaze Pen painting is permitted but Traditional Painting is not at this time.
- Thin Fire, Papyrus or other Firing Papers must be purchased or provided by you.

Fuse-A-Palooza Kiln Firing Specials for Play Day Event:

Included in the Kiln Firing Fee Special for this event:

- Cranberry will load and program the kilns.
- All Kiln Wash, Primo Primer and/or Boron Nitride for this event only.
- Unloading and first general cleaning of your project.
- Thin Fire, Papyrus or other Firing Papers not included.
