

Cranberry Stained Glass Studio & Supply Inc.

FREE DEMOS MONDAY - THURSDAY!!!
FUSE-A-PALOOZA SCHEDULE

Monday, January 16	10:30am- 12noon	Demo: Make your own molds. Cranberry has several cheap and easy ways to make your own molds.
Monday, January 16	12noon- 1pm	Kiln preparation, maintenance and replacing element pins a more practical and efficient way. Mold prep and maintenance also covered.
Monday, January 16	1pm- 3pm	Demo: Holes! Your project needs a system to hand around your neck, fit hardware, or drain... and you want it to look good! Cranberry has techniques to handle it all.
Tuesday, January 17	2pm- 3:30pm	Demo: Make your own elements! Frit, stringers, nuggets and nugget babies, any colour! Now that you have new frit and stringers you need a few tricks on what to do with them! Lori will demonstrate how to create her famous snowflakes!
Wednesday, January 18	10:30am- 12noon	Demo: Morton system. Cut consistent shapes that will not require grinding! Such a time and labour saver for almost any serious fuser!
Wednesday, January 18	1pm- 2:30pm	Demo: Circle cutting. Perfect circles every time! Bonus...one piece circle rings ideal for rimming bowls, plates and drop mold vessels.
Thursday, January 19	10:30am- 12noon	Demo: Make it personal with Photo fuse, Relief and Fusing Paint.
Thursday, January 19	1pm - 2pm	Demo: What side is up? Ever work with Float Glass or put Dichroic down with the wrong side up? We will show you how to find out!
Friday, January 19	10am- 4pm	Play Day! Come on in and try out some of the tricks we have been showing you all week! Open Fusing Studio Time free for 6 hours. We will run a tab for any consumables while you are here and the firing will just be a nominal fee for this event. Some restrictions will apply. See www.cranberrystainedglass.com/kilns-fusing for details.
Saturday, January 21	9am-1pm	Fusing 101 Course begins at 9am! Sign up early to get in! Runs Saturday mornings: January 21, 28 and February 4, 2017.

Playing Fusing videos during demo times * Light refreshments * Participants who attend 2 or more demos will be given a coupon for \$5 off a mold rental * Door prizes.
